

Great Yarmouth spring events to be going ahead.

Get your teams entered now!

Dear All

Roger Finney Manager of Vauxhall Holiday Park Great Yarmouth (Park Dean). Attended a meeting with the EPA National Committee 21/11/20.

To outline all procedures and risk assessments in place for Spring events 2021, working with the EPA.

EPA and Vauxhall are confident these events can go ahead, albeit with reduced numbers for social distancing, also permitting not in lockdown. We need to understand that these events will not have the same experience as we're all used to but the EPA are working hard alongside Vauxhall to make this the best experience possible.

The EPA encourage all members/leagues/Counties to support and enter the events online now.

1st weekend events Ladies Singles/ Ladies Ko cup/ Champion of champions.

2nd weekend events National Inter-League Finals (more events to follow).
